

Join us for the **4th Annual DYCD Chess Masters Tournament** — welcoming over 400 participants (K–12), from all DYCD programs. The tournament supports skill-building and competition. **Chess in the Schools** will facilitate the day and bring "chess masters" to provide training. All students will develop their focus and concentration, deal with winning and losing in a safe environment, and experience the dynamics of teamwork. All tournament winners will receive awards and medals.

 **Saturday**
December 2, 2017
